REGISTRATION

2009~ 2010

ADMISSION POLICY TO CATHOLIC SCHOOLS

All schools must have a process for admitting students. As part of this process the Pastor / Archbishop's Representative, the principal, and when practical, a member of the Education Committee shall meet with each new family. Any difficulties arising out of the interview process shall be referred to the Pastor / Archbishop's Representative for resolution.

Families shall read and sign the **Statement of Commitment** prior to being accepted into a school. For purposes of this policy, "practising Catholics" shall mean those individuals who are registered in a parish and attend Sunday Mass regularly; "active in a parish" shall mean those who support the parish by using envelopes (no minimum amount specified) and participate in the work activities required of them.

ADMISSION FOR ELEMENTARY SCHOOLS:

Priorities for admittance into elementary schools shall be:

1. Children presently enrolled in the school if they and their families meet the expectations of the school.
2. Siblings of children already in the school, whose families are practising Catholics active in the parish.
3. Children whose families are practising Catholics active in the parish.
4. Siblings of children already in the school, whose families are practising Catholics active in other parishes.
5. Children whose families are practising Catholics coming into the parish, who have been attending Catholic school elsewhere.
6. Children whose families are practising Catholics active in other parishes.
7. Children whose families are either not practising Catholics or not active in their parishes.

Non-Catholics. Enrolment of more than 15% non-Catholics in any grade requires the approval of the Board of Directors. Once accepted into the school, non-Catholics need meet only the criteria expected of other students to be re-admitted in subsequent years. Siblings of non-Catholics cannot be given priority over Catholics.

Dear Parents,

We appreciate your interest in St. Patrick's School. Enclosed you will find the School Registration Package for the 2009/2010 School Year.

Parish schools within the archdiocese service the parish to which the school is affiliated. Each year, the parish subsidizes the school financially to help balance the school's budget. Other ongoing needs of the school are met through fundraising. One of our fundraising events is our school's Walk-a-thon which is held in September. As you will read in the "Parent/ Guardian Statement of Commitment", your presence and support at events such as these are required. **It is essential that you be an active partner in your child(ren)'s education. The result will be a truly extraordinary school community.**

St. Patrick's School

Introduction to Parent Participation Activities

As indicated earlier in this registration package parents of children who have been admitted to the school are required to participate in one of a number of activities of the school/parish, including fundraising. Your support in the context of acting in community can be an exciting experience and is encouraged. Alternatively, families may choose to opt out of the Parent Participation Program and pay the non-participation rate (additional \$100.00 per month).

All of the parent participation duties are important to the school. For example, Bingo raises money for the parish, enabling it to better support the needs of the school; cleaning of the school helps reduce school operating costs by reducing the frequency of cleaning by a contract cleaning company; schoolyard supervision during lunch-time helps ensure your children have a safe and enjoyable lunch-time break.

Following the registration period for the coming school year, the Parent Participation Coordinator of the Parish Education Committee (PEC) will assign a duty to every family choosing to participate. Notices of job assignment will be distributed to all participating families. The assignment of duties is based, in part, on your completion of the job preference form contained on the following page, the specific needs of the school, and for some duties (e.g., yard supervision) upon consultation with the school principal.

For returning families, please remember that continuation of your duties from the previous school year is not guaranteed, even when requested by the family. Changes may be made in assignments to better utilize the talents and interests of the different school families, and also to give other families an opportunity to participate in those duties.

The pie chart to the right shows the general distribution of duties within the parent participation program. Bingo and school cleaning account for nearly 75% of the parent participation duties. Newer families to the school will tend to be assigned to either bingo or school cleaning. For bingo, the positions of Seller and Set-Up Crew are the positions most likely assigned to new families. Other assignments to new families will be made on a case-by-case basis.

OTHER AREAS OF EXPERIENCE AND/OR HOBBIES

(If you have a business and/or experience in other areas – please indicate here)

The Parent Participation Program at St. Patrick's School is a vital component of the success of the school. We all lead very busy lives and it is easy to opt out of the program and pay monthly. Please make it a priority to look at your schedule and do whatever you can to help. If ALL the parents participate the programs work best.

PARENT PARTICIPATION CHEQUE CASHING POLICY:

St. Patrick's School Parent Participation program is mandatory.

The **obligations** of the Parent Participation program are:

- **to arrive on time and sign in as per schedule**
- **to find a suitable replacement**
- **to inform the captain of replacement prior to the date/time**

A suitable replacement must be found for all participation activities and make-up time is **not an option**. A missed obligation without suitable replacement will result in one of the undated Parent Participation cheques being cashed and a letter of explanation being sent to the parent for their banking records. A **second missed assignment** results in another cheque being cashed and a letter informing the parent for their banking records, as well as reminding them that if a 3rd assignment is missed without suitable replacement, they will be raised to the **non-participating rate**.

Parents who miss 3 assignments without finding suitable replacements (in one school year) will be removed from the role for the remainder of the year and their Parent Participation cheques will be cashed monthly for the remainder of the school year. In June, the family has the option to begin July by returning to the Parent Participation program or continue to pay the non-participating rate.

I agree to the above and will take part in the Parent Participation Program as assigned.

SCHOOL POLICY STATES IN PART:

Within the mission of St. Patrick's Catholic Christian teachings, respect for our bodies further deepens our valued faith. Therefore, while complying with the uniform, no body piercing is to be evident. Small stud earrings remain the only form of acceptable jewellery. Artificial or permanently applied tattoos are not to be visible. Hair colour is to remain natural in appearance. Make-up and nail polish are not permitted. Daily, the teachers check to ensure the students are in full uniform. **Uniforms must be in good condition, laundered and remain at a suitable fit.** Responsibility of correction first rests with the parent, the child and then the teacher. If there are problems, the teacher will inform the parents by letter. After 3 such letters, the teacher will inform the principal and the principal will contact the parents. If no resolution can be reached, the Parish Education Committee will be informed.

CHILDREN are expected to wear the full school uniform at all times. Children not in uniform may not be allowed to participate in classroom, field trips and/or extra curricular activities. Permission must be given by the principal for students to change out of school uniform after school. This will only be given for special reasons.

Please sign and return with your school registration.

I have read and understand and I therefore accept the above uniform policies and requirements as stated above.
