

# St. Patrick's School Fundraiser

## *Traditions of Faith and Service*

Looking for something new to spruce up your coffee table? How about the perfect gift for the history buff in your family? If so, you should consider purchasing *Traditions of Faith and Service* -- the first ever popular history published about the Archdiocese of Vancouver.

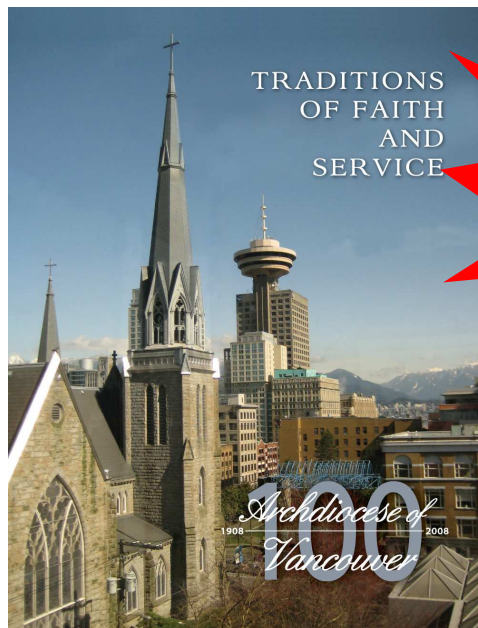

Written by Jacqueline Gresko, *Traditions of Faith and Service* has a fine selection of photos and archival items. The 250 page book gives a historical account of the Archdiocese and its parishes with nine dollars from every purchase going towards our school.

**\$9 from each purchase will go directly to our new school building!**
