Dear applicant,

Hello and a warm welcome to our new parents! As Parent Participation Coordinator for the 2019-2020 School year, I would like to briefly introduce the Parent Participation Program to you, and to heartily encourage you to take part in this program as a means of actively contributing to your child's education at St. Patrick's School.

Please understand that this is not a volunteer program; the assignment that you will be selected to fill is essential to the smooth running of the school, and participants are expected to fulfill their duties in exchange for a significant discount to tuition fees. Ultimately, we would not be able to run such a great school without the assistance of so many diligent parents, and helping out is a great way to familiarize yourself with the operations of the school, and to get to know and befriend other school families.

Parents that are interested in participating are asked to fill out the sign-up sheet included in this package, indicating their availability and their preference for specific activities. Once these sheets have been handed in, participants will be placed within the program according to school needs, availability, seniority and preference. While efforts will be made to accommodate difficult schedules and preferences, priority must be given to the "Bingo" and "Cleaning" assignments.

The particulars of the program are laid out on page 15 of the application package. If, after reading this letter and the ensuing description, you still have any questions I am happy to respond to them by email.

All the best to you and your newly enrolled students in this upcoming academic year!

With warm regards,
