St. Patrick's School - Maple Ridge

PEC

January 2020

Dear Parents and Families,

On behalf of the Parish Education Committee (PEC) I wish to thank you for your interest in St Patrick's School.

The Parish Education Committee represents the parish in working alongside our pastor and the school's staff and leadership, in ensuring that our children are cared for in receiving and experiencing high level education in the Catholic tradition.

The mission of the Church, and our parish, is to bring all people to an encounter with the love of God the Father through Jesus Christ. St Patrick's School as part of the parish community is committed to loving Jesus through its activities and commitment to prayer and the sacraments.

As you consider your children's education for the upcoming year, please be assured of the PEC's commitment to leading and assisting Fr. Matthew, Mr Heah, and the entire school staff, in making St Patrick's School the very best it can be.

Sincerely,

A handwritten signature in blue ink that reads "Eric Chow". The signature is written in a cursive, flowing style.

Eric Chow
