Dear Parent,

Thank you for your interest in St. Patrick's School! We feel blessed that you have entrusted your child's learning to us, and look forward to hopefully being able to welcome you into our wonderful school community. As principal of St. Patrick's School, I make it my mission to work with our school staff to develop our students spiritually, intellectually, physically, emotionally, and socially. We are reminded everyday of how blessed we are to call St. Patrick's home to so many wonderful families.

Enclosed you will find your 2020/2021 Registration package. This package contains many important and necessary documents that must be filled out and submitted at the time of application. I ask that you pay close attention to the checklist enclosed in the package, to ensure that we can process your application in a timely manner. Registration packages will not be accepted prior to Feb. 21st 2020. This will allow for you to make sure that all the necessary documentation and forms are in order, and to give you time to meet with Father Matthew To as well as with myself.

Should you have any questions, please do not hesitate to contact the school office. It is with enthusiasm that I look forward to meeting you!

Yours in Christ,
