Monday, February 10, 2020

It is with mixed emotions that I write to inform you that this will be my last year at St. Patrick's school. Over the past 8 years, this has been my second home and all the wonderful people I have worked with have become my second family. I will miss the staff, students and parents very much. My commute to and from work the past 8 years has been a big challenge for me, and although I did not anticipate leaving St. Patrick's school yet, an opportunity close to home presented itself. Effective September 2020, I will take on the role of principal at Cloverdale Catholic School. Although it is sad to leave this school community that I love so much, I find comfort knowing that the school is in a great place. Enrolment has reached an all-time high, the faith is very alive among our staff and students, and our academic programs continue to improve and align with the redesigned curriculum. The leadership team has worked tirelessly with me over the past years and will continue the good work with the new principal. The search for a new principal for our school will begin immediately. I ask that you pray for the hiring committee as they embark on the hiring process.

I look forward to finishing the school year with everyone and making the most of my time here at St. Patrick's school! Please keep me in your prayers as I prepare to start this new role, and know that the St. Patrick's school and parish community will remain in my prayers. I am happy to answer any questions you may have about the remainder of the year or about the hiring process for a new principal.

Yours in Christ,

A handwritten signature in black ink, appearing to read 'C. Heah', written in a cursive style.

C. Heah  
*Principal*
